ROYAL COLLEGE OF PHYSICIANS LONDON | 1-3 SEPTEMBER 2020

EUROPEAN HEALTHCARE DESIGN

RESEARCH • POLICY • PRACTICE

SPONSORING KNOWLEDGE & IMPROVEMENT

The 6th European Healthcare Design 2020 (EHD2020) Congress & Exhibition will be held on 1 – 3 September, 2020 at the Royal College of Physicians in London, UK.

Organised by Architects for Health and SALUS Global Knowledge Exchange, the congress aims to take a whole-systems approach to understanding how to redesign European health systems and services through the exchange of knowledge, research and international best practice on the relationship between health service and system design, technology and the built environment.

The congress is organised in partnership with the UK and Europe's expert professional bodies from the healthcare and design fields, international academic institutions, leading public and private health providers, and the healthcare industries.

Providing an international forum for researchers, policymakers and practitioners to share knowledge and research on how to redesign health systems and infrastructure to achieve fiscal balance, better access, greater efficiency, higher quality and improved health outcomes, papers will be presented by the world's leading experts through a variety of presentation formats, including themed papers, posters, workshops and colloquiums. Abstracts are welcomed from all professional disciplines within research, policy and practice to encourage an inclusive and interdisciplinary dialogue.

Supporting thought leadership and knowledge exchange

We are delighted to invite sponsors and exhibitors to support this prestigious, world-leading event.

By sponsoring or exhibiting at EHD2020, your organisation will be supporting and participating in the creation and exchange of knowledge between the world's leading health researchers, practitioners and policymakers.

A knowledge-led approach to sponsorship creates opportunities to align your brand with a range of content-focused offerings, including: themed sessions and posters; workshops and colloquiums; study tours, and networking events, such as the Welcome Reception, the Garden Party, and lunch sessions. These can be combined with other exciting branding opportunities to raise the visibility of your organisation, such as an exhibition stand (limited availability), conference bag and name-badge sponsorship, or advertising online or in the printed Final Programme.

The publication and dissemination of videos of all the talks, full written research papers and posters on the SALUS Global Knowledge Exchange (www.salus.global) also means that your sponsorship support gains from association with the congress content and outputs across multiple social media channels all year around.

TIMETABLE

The European Healthcare Design 2020 Congress, Awards & Exhibition is held from 1 – 3 September, 2020, with two days of conference and one day of study tours of innovative healthcare infrastructure projects.

Tuesday 1 September, 2020

SPONSORSHIP PACKAGES

Sponsorship opportunities can be flexibly designed to meet your unique requirements. Choose from the packages below or call to discuss tailoring a solution to meet your specific needs and preferences. 'Knowledge sponsorships' provide focused opportunities to support and participate in the dialogue and engage with leading thinkers. These can be combined with other exciting branding opportunities to widen and reinforce your identity – for example, by branding a 'networking occasion' or one of the widely-used congress items, eg delegate bags or badges.

EUROPEAN HEALTHCARE DESIGN AWARDS 2020 SPONSORSHIP

ROYAL COLLEGE OF PHYSICIANS LONDON | 1-3 SEPTEMBER 2020

**EUROPEAN
HEALTHCARE DESIGN**
RESEARCH • POLICY • PRACTICE

The European Healthcare Design Awards 2020 aims to set new standards in the creation of healthcare environments that promote health and wellness, support the delivery of treatment and care and embed quality improvement in an accessible, economic and equitable way.

Organised by Architects for Health and SALUS Global Knowledge Exchange, the awards are an integral feature of the prestigious European Healthcare Design 2020 Congress & Exhibition, held at the Royal College of Physicians, on 1-3 September.

Comprising ten categories across primary, secondary and tertiary levels of international healthcare provision and delivery, the awards, which are evaluated by some of the world's leading researchers and practitioners in healthcare design, contribute towards the development of knowledge and standards in the design of healthcare environments around the world.

The awards ceremony are held during the final session of the European Healthcare Design 2020 Congress in front of a capacity audience of more than 400 UK and international delegates. This prestigious event will be the climax to the congress, and the culmination of a four-month worldwide submission process and rigorous judging to identify the world's leading healthcare projects, research and design innovations.

By sponsoring the awards, you can show your support and recognition of the outstanding performances of the award winners, aligning your brand in UK, European and international markets around the values of design excellence and innovation.

As well as the chance to network and enjoy photographic and video opportunities with the award judges and winners, your brand will also gain international exposure through the digital marketing around the congress and the awards. This includes promotion of the call for entries and shortlist announcement before the event, in press releases and e-news announcements of the awards winners, and in the publication of videos of the ceremony after the event.

We look forward to confirming your support and partnering with you in the raising of design quality standards around the globe.
